

How They Did It!!

Friday, June 25th, 2010 | 11am – 1pm

Come spend a few hours with 4 successful business owners that started small and built a successful company. This will be a candid conversation on what worked for them

Meet Our Executive Panel:

Heidi Nel is the Founder and President of Heidi's Heavenly Cookies, LLC, a gourmet Cookie gift company. She turned a \$10,000 initial bakery venture into a million dollar company, now housed in a state of the art commercial bakery.

Dexter R. "Butch" Floyd is President of Mail Sort, Inc. in Lawrenceville. Mail Sort, Inc. is a one-stop mailing facility that does data processing, laser printing and mail processing. He currently serves as Chairman of the Board at KeyWorth Bank.

Rob Tuttle - Everything Coffee & Tea Co-Owner, opened his first coffee bar in 2003 and it quickly grew to 6 locations. After selling his coffee shops, Rob teamed up with his brother Kevin to start "Everything Coffee & Tea" which is now one of the largest specialty coffee allied product distribution companies in the Southeast United States.

Brett Berto started his first company Concentric Systems Inc., in 1991, grew it into the 7th largest custom computer assembler and distributor in the United States and sold it in 2006. He is currently president of reClean LLC., and they convert municipal solid waste into electricity and other re-useable by-products.
